

# ~ Happy New Year ~

Let me please take this opportunity to thank you for your support and wish you all a great new year 2016, full of successful projects and both professional and personal achievements.

Looking back over 2015, it has been a busy and very enjoyable year. Clover has achieved a product line – TFT LCD, a new technology – Optical bonding, and a new ISO standard – TS16949.

## TFT LCD

- Size from 1.44" to 10"
- High Contrast, wide view angle and wide temp. range
- Sunlight readable
- Long-term availability
- Controller board supported

## Optical Bonding

- Enhanced contrast ratio
- Reduce reflection
- Enhance sunlight readability
- Improve durability and damage resistance
- Enhance lifetime by protecting from dust and moisture
- No parallax effect and increase optical clarity
- Keep a screen intact when the equipment is broken

## ISO/TS16949

Thank the team for all the effort, Clover has been successfully certified the ISO/TS 16949 Standard in 2015 for design and manufacture of LCD and LCM. We are proud to supply our high quality displays and modules for Automotives.

Finally, here is wishing that the new year is filled with happiness and many more opportunities for us to work together, Clover will develop more products to suit for your needs in 2016.

If you have interest in our displays and services, please do not hesitate to contact us for more information.

Any inquires or feedbacks from you will be highly appreciated. We assure you satisfying service and look forward to hearing from you in near future.
